The Stallions and Saints programs have many values and virtues. The top two of our ministry are:1- making sure we never turn away any player because of lack of finances and 2-having the ability to help any Stallion or Saint family in need, as funds allow.

Every year we award an average of 55 Scholarships valued at over \$400 and 65 “registration only scholarships” valued over \$100 each. We donate to our Stallion and Saints families who have serious health situations or dire financial difficulties, as funds allow. In the past these were funded mostly by generous donors, sponsors and fundraisers.

Fundraisers have been less that successful and disappointing over the years, except the 2011 FootballMania NFL Sweepstakes was very successful. This puts enormous pressure on a few very generous donors and sponsors. As a very charitable organization we must take on most of this responsibility to continue and grow our ministries and attract more families that agree with our ministries. Many players who would never had the opportunity to play, now have a home with the Stallions and Saints.

\*Annual Fundraisers will include: donations, FootballMania NFL Sweepstakes, logo wear, decals, Bowl Games, Kroger Cards, Football Clinics and team pictures. No team or individual can do any team fundraisers without approval. **It is recommended that returning players register before Jan. 1<sup>st</sup> 2012** to guarantee your spot on your same team. Registering after Jan 1st, 2012 your team could be filled or closed and you cannot move to another Stallions or Saints team without sitting out a year.
